

ORDINANCE # 2024 – 167

AN ORDINANCE AMENDING TITLE VI PHYSICAL ENVIRONMENT CHAPTER 5 UTILITIES – SEWER BILLING CHARGES

Be it enacted by the City Council of Goose Lake, Iowa:

Whereas, Chapter 5 Section 6-10 Sewer Rates is Amended as follows: Sewer shall be furnished at the following MONTHLY rates per meter within the City limits:

The rate of sewer rent shall be \$4.00 per month and \$2.80 per thousand gallons of metered water or any part thereof for each meter, for each premises within the sewer district created in Section 6-5-2; school rent shall be at a flat rate of \$4.25 per thousand gallons of water. A surcharge of 59.50 per month shall be collected per meter within the City limits.

The said rates are being increased due to a requirement of the Iowa Department of Natural Resources that the City build an additional cell in the Lagoon System. The construction of the new cell requires each resident to pay additional fees in the form of a monthly surcharge per meter. This is a \$40.00 increase from the current rate of \$19.50.

The new surcharge rate of \$59.50 will become effective October 30, 2024 and continue until further action by Council.

PASSED, APPROVED, AND ADOPTED by the City Council of Goose Lake, Iowa on the 17th day of October, 2024.

Kendell R. Schoon, Mayor
